Chapter 1 by Pradeep V

"Well it all started at the bar last night, I was one of the very few people to visit it other than the shady looking guy. So I decided to follow him last night but got jacked in the middle when he found out, thanks to you I didn't die, he left me alive since you worked for the cops." were the last words which theophil spoke to the police officer.

Soon investigation started on what factors he went missing, there were no traces of him nearby (near his house or the bar).
